Adams Police Department Monthly Report March 2018

Meetings/Training Attended

During the month of March I attended Personnel, Finance, City Council, Adams County Crisis Response Community, Coordinated Community Response Team, and North Central Chiefs of Police Association meetings. I also met with Sheriff Wollin about P.D. staffing and how calls for police services in the City will be handled between the two agencies. The City Officers are now back to handling all calls for service in the City. The Sheriff had been handling many of the calls for service under an agreement between the Sheriff and Chief Anderson. When no City Officers is on duty the Sheriff's Office is taking the calls that can't wait for a City Officer. We also discussed updates to the Spillman Technologies records management software. Full time staff completed CPR refresher training which is required to be done biannually to maintain American Heart Association certification.

Calls for Service, Citations, and Written Warnings

Officers handled 104 calls for service, and issued 25 citations and 16 written warnings during the month.

Department Activities/Announcements

Officer Patrick Draper resigned his positions as Police Officer with the City his final day was March 20, 2018. We are in the process of getting two part time Officers hired to fill those shifts.

I have also posted on Wilenet for part time Officers. The applications on file are dated and we need to have an up to date list of qualified people to hire from. We still need to hire more part time Officers so we have a pool of Officers that have availability to cover vacation, sick, and compensatory time when full time Officers take off of work.

I continue to spend the majority of my time dealing with personnel issues that face the Department.

Routine maintenance was done to the fleet in March.

Jason Lauby -- Interim Chief of Police
