Adams Police Department Monthly Report July 2018

Meetings/Training Attended

During the month of July I attended City Council, and various City Committee meetings.

Calls for Service, Citations, and Written Warnings

Officers handled 161 calls for service, and issued 23 citations and 14 written warnings during the month.

Department Activities/Announcements

Officers are continuing property maintenance checks throughout the City and will be contacting owners that have property not in compliance with City ordinances.

I am continuing to work on the Watch Guard evidence software and hope to have it up and running in September. I will have to work with Tech Pros on configuring the PD virtual server before Watch Guard can move forward with the installation. This system will allow us to properly store and view footage from the body worn cameras.

In August we should be taking delivery of the Glock 9mm pistols. We will be getting everyone transitioned into the new firearms through range qualification shooting and drills by the end of September.

I would like to remind City residents to report suspicious activity they may see to the Dispatch Center. We have had some drug activity tips come in late. Reporting these things immediately will help us catch violators in the act. Also keep in mind you can report anonymously to Adams County Crime Stoppers and be eligible for rewards.

I will be attending the Spillman Summer Training in mid-August and hope to bring back some new information from this training.

Jason Lauby – Interim Chief of Police
