Please Recycle!

Recycling helps reduce space at our landfills and reduces disposal charges that can burden taxpayers. Aside from its benefits to the environment, recycling is also good for our economy. Recycling pickup is scheduled every other Thursday. We ask that you take a little extra time and sort your disposables properly, and help minimize not only waste, but also costs. Recyclable items include: Magazines, Cardboard, Paper, Glass bottles, Jars, Aluminum cans, Tin cans, and Plastics. Also, look for the logo and remember you can place items in clear plastic bags for pickup.
