The applicant agrees to comply with applicable requirements of the Wisconsin Administrative Code, the Rules of The Department of Industry, Labor and Human Relations, Wisconsin State Statutes, Federal Advertising sign Regulations, and the City of Adams ordinances. The applicant certifies that all information herein submitted is accurate and that the permit granted shall create no legal liability, express or implied, on the City of Adams. The applicant must check with the department of DOT for state permit regulations.

Office of the City of Adams Building Inspector and Zoning Administrator

If after erection, this sign(s) is found to be in violation of the law, regulations, or permit by the Building Inspector & Zoning Administrator, the permit issued for this application becomes invalid and applicant agrees to correct/remove said sign(s) in 15 days.

- All sign wiring shall comply with the National Electric Code-Section 600 and with the State of Wisconsin Building Codes. All illuminated signs must be wired by an electrical contractor licensed by the State of Wisconsin (an electrical permit is required)
- Attach a picture of the proposed sign with a map of the location, indicating distance to lot lines, road right of way and center line setbacks.
- Sign permits will be issued once all paperwork is filled out and necessary information is received for the Building Inspector & Zoning Administrator to approve.
