[Chapter 2](#) Pollution Abatement

[Chapter 3](#) Refuse/Recycling Disposal and Collection

Chapter 1

Health and Sanitation

- [8-1-1](#) **Rules and Regulations**
- [8-1-2](#) **Health Nuisances; Abatement of**
- [8-1-3](#) **Deposit of Deleterious Substances Prohibited**
- [8-1-4](#) **Reserved for Future Use**
- [8-1-5](#) **Reserved for Future Use**
- [8-1-6](#) **Reserved for Future Use**
- [8-1-7](#) **Compulsory Connection to City Sewer and Water System**
- [8-1-8](#) **Keeping of Livestock**

Sec. 8-1-1 Rules and Regulations

The Common Council, acting as Board of Health, may make reasonable and general rules for the enforcement of the provisions of this Chapter and for the prevention of the creation of health nuisances and the protection of the public health and welfare and may, where appropriate, require the issuance of licenses and permits. All such regulations shall have the same effect as ordinances, and any person violating any of such regulations and any lawful order of the Council shall be subject to the general penalty provided for in this Code.

Sec. 8-1-2 Health Nuisances; Abatement of

- (a) **Defined.** A health nuisance is any source of filth or cause of sickness.
- (b) **Duty to Abate.** The Board of Health shall abate health nuisances pursuant to Sec. 146.14, Wis. Stats., which is adopted by reference and made a part of this Section.

State Law Reference: Sec. 146.14, Wis. Stats.

Sec. 8-1-3 Deposit of Deleterious Substances Prohibited

No person shall deposit or cause to be deposited in any public street or on any public ground or on any private property not his own any refuse, garbage, litter, waste material or liquid or any other objectionable material or liquid. When any such material is placed on the person's own private property, it shall be properly enclosed and covered so as to prevent the same from becoming a public nuisance.

8-1-4

Sec. 8-1-4 Reserved for Future Use

Sec. 8-1-5 Reserved for Future Use

Sec. 8-1-6 Reserved for Future Use

Sec. 8-1-7 Compulsory Connection to City Sewer and Water System

- (a) Whenever public sewer or water service has become available to any building used for human habitation or human occupancy, the Common Council shall notify in writing the owner, agent or occupant thereof to connect such facilities thereto. If such persons to whom the notice has been given shall fail to comply for more than ten (10) days after notice, the Common Council shall cause the necessary connections to be made and the expenses thereof to be assessed as a special tax against the property pursuant to Section 144.06 of the Wisconsin Statutes.
- (b) The Common Council may extend the time for connection hereunder or may grant other temporary relief where strict enforcement would work an unnecessary hardship without corresponding public or private benefit.
- (c) This Section is enacted pursuant to Section 144.06 of the Wisconsin Statutes.

Sec. 8-1-8 Keeping of Livestock

- (a) **Sanitary Requirements.** All structures, pens, buildings, stables, coops or yards wherein animals or fowl are kept shall be maintained in a clean and sanitary condition, free of rodents, vermin and objectionable odors.
- (b) **Animals Excluded from Food Handling Establishments.** No person shall take or permit to remain any dog, cat or other live animal on or upon any premises where food is sold, offered for sale or processed for consumption by the general public.

Chapter 2

Pollution Abatement

8-2-1 Cleanup of Spilled or Accidentally Discharged Wastes

8-2-2 Storage of Polluting Substances

Sec. 8-2-1 Cleanup of Spilled or Accidentally Discharged Wastes

- (a) **Cleanup Required.** All persons, firms, or corporations delivering, hauling, disposing, storing, discharging or otherwise handling potentially polluting substances, solid or liquid, such as, but not limited to, the following: fuel oil, gasoline, solvents, industrial liquids or fluids, milk, grease trap and septic tank wastes, sewage sludge, sanitary sewer wastes, storm sewer catch-basin wastes, oil or petroleum wastes, shall immediately clean up any such spilled material to prevent its becoming a hazard to health or safety or directly or indirectly causing pollution to the lakes and streams under the jurisdiction of the City .
- (b) **Notification.** Spills or accidental release of hazardous materials or pollutants at a site or of a quantity or nature that cannot adequately be cleaned up by the responsible party or parties shall be immediately reported to the City Clerk-Treasurer so that assistance can be given by the proper agency.
- (c) **Financial Liability.** The party or parties responsible for the release, escape or discharge of wastes shall be held financially liable for the cost of any cleanup or attempted cleanup deemed necessary or desirable and undertaken by the City, or its designated agent, in an effort to minimize the pollutional effects of the discharged waste.

Sec. 8-2-2 Storage of Polluting Substances

It shall be unlawful for any person, firm or corporation to store any potentially polluting, substances unless such substances are stored in such manner as to securely prevent them from escaping onto the ground surface and/or into any street, sewer, ditch or drainage way, lake or stream within the jurisdiction of the City of Adams.

- [8-3-8](#) **Garbage Accumulation; When a Nuisance**
- [8-3-9](#) **Refuse from Outside the Municipality**
- [8-3-10](#) **Improper Use of Trash Carts**
- [8-3-11](#) **Mandatory Recycling**

Sec. 8-3-1 Title

This chapter shall be known as the Refuse/Recycling Disposal and Collection Ordinance of the City of Adams, hereinafter referred to as this "Ordinance" or "Chapter".

Sec. 8-3-2 Declaration of Policy

It is hereby declared to be the purpose and intent of this Chapter to enhance and improve the environment and promote the health, safety and welfare of the City by establishing minimum standards for the storage, collection, transport, processing, separation, recovery, and disposal of solid waste.

Sec. 8-3-3 Residential Units

For the purpose of this Chapter, all refuse/recycling produced by Residential Units in the City of Adams, shall be collected and disposed of by any independent hauler under contract with the City of Adams to provide such services.

Sec. 8-3-4 Industrial and Commercial establishments

For the purpose of this Chapter, all collection and disposal of refuse/recycling and other solid waste produced by Industrial and Commercial establishments are the responsibility of the business owner/manager.

Sec. 8-3-5 Definitions

For the purpose of this Chapter, the following words and phrases shall have the meanings given herein unless different meanings are clearly indicated by the context.

- (a) **Agricultural Establishment.** An establishment engaged in the rearing and slaughtering of animals and the processing of animal products or orchard and field crops.
- (b) **Bulky Waste.** Items whose large size precludes or complicates their handling by normal collection, processing or disposal methods.
- (c) **Commercial Unit.** Commercial units shall be all property other than residential units and shall include boarding houses, motels, resorts, tax exempt entities, group home/assisted living, home based businesses and short-term rentals (ex. vrbo/Airbnb).
- (d) **Curb.** The back edge or curb and gutter along a paved street or where one would be if the street was paved and had curb and gutter.
- (e) **Demolition Wastes.** That portion of solid wastes consisting of wastes from the repair, remodeling or reconstruction of buildings, such as lumber, roofing and sheathing scraps, rubble, broken concrete, asphalt and plaster, conduit, pipe, wire, insulation and any other materials resulting from the demolition of buildings and improvements.
- (f) **Disposal.** The orderly process of discarding useless or unwanted material.
- (g) **DNR.** The Wisconsin Department of Natural Resources.
- (h) **Dwelling Unit.** Shall be all single-family dwellings as a place of habitation occupied by a normal single-family unit, intended to provide quiet, pleasant and relatively spacious living with one private garage for each residential parcel and/or accessory buildings.
- (i) **Garbage.** Includes every refuse accumulation of animals, fruit or vegetable matter, liquid or otherwise, that attends the preparation, use, cooking, dealing in, or storing of meat, fish, fowl, fruit or vegetables originally used for foodstuffs.
- (j) **Hazardous Waste.** Those wastes such as toxic, radioactive or pathogenic substances which require special handling to avoid illness or injury to persons or damage to property and the environment.
- (k) **Litter.** Solid waste scattered about in a careless manner, usually rubbish.
- (l) **Person.** Individuals, firms, corporations and associations, and includes the plural as well as the singular.
- (m) **Refuse.** Includes all waste material, including garbage, rubbish and industrial waste and shall, by way of enumeration but not by way of limitation, include grass, leaves, sticks, tree branches and logs, stumps, stone, cement, boards, furniture or household appliances, garden debris.

- (n) **Residential Solid Waste.** All solid waste that normally originates in a residential environment from residential dwelling units.
- (o) **Residential Unit.** Residential Unit shall mean all property which has located thereon one of the following: (1) A single-family dwelling; (2) A multi-family dwelling having three or less dwelling units. Residential units shall not include boarding houses, motels or resorts.
- (p) **Rubbish.** Includes combustible and noncombustible waste material, except rocks, concrete, bricks and similar solid materials, plaster or dirt, that is incidental to the operation of a building and shall include, by way of enumeration but not by way of limitation, tin cans, bottles, rags, paper, cardboard, sweepings.
- (q) **Solid Waste.** Garbage, rubbish and other useless, unwanted or discarded material from agricultural, residential, commercial, industrial or institutional activities. Solid waste does not include solid or dissolved material in domestic sewage.
- (r) **Storage.** The interim containment of solid waste in an approved manner after generation and prior to collection and ultimate disposal.
- (s) **Storage Areas.** Areas where persons place carts during non-collection days as well as areas where carts are set out on collection day.

Sec. 8-3-6 Refuse/Recycling Guidelines:

Owner and/or Occupants are responsible for reviewing and following the guidelines of independent hauler under contract with the City of Adams, providing refuse/recycling services.

Sec. 8-3-7 Collection of Refuse

(a) Restriction on Time of Placement.

- (1) Approved carts for refuse/recycling shall be placed in collection locations no more than 24 hours in advance and no later than 6:00 am of collection day, with lid facing towards the street side/alley way.
- (2) All approved carts for refuse/recycling shall be removed from the curbside collection point within twenty-four (24) hours after the regular collection time.

Sec. 8-3-8 Garbage Accumulation; When a Nuisance

The accumulation or deposit of garbage, trash or putrescible animal or vegetable matter in or upon any lot or land or any public or private place within the City of Adams which causes the air or environment to become noxious or offensive or to be in such a condition as to promote the breeding of flies, mosquitoes or other insects, or to provide a habitat or breeding place for rodents or other animals, or which otherwise becomes injurious to the public health is prohibited and declared to constitute a nuisance.

Sec. 8-3-9 Refuse from Outside the Municipality

It is unlawful for any person, firm or corporation to place, deposit or cause to be deposited, for collection, any waste or refuse not generated within the corporate limits of the City of Adams.

Sec. 8-3-10 Improper Use of Trash Carts

No person shall place in or on any refuse and/or recycling carts, not belonging to or assigned by the owner of such cart to such person, any garbage, refuse or trash without the permission of the owner or designated assignee of such cart, unless such cart is designated expressly or implicitly for use by the general public.

Sec. 8-3-11 Responsible Unit Recycling for City of Adams

- (a) **Purpose.** The purpose of this ordinance is to promote recycling, composting and resource recovery through the administration of an effective program, as provided in Sec 159.11 s. 287.11, Wis. Stats., and Chapter NR 544, Wis. Administrative Code.
- (b) **Statutory Authority.** This ordinance is adopted as authorized under s. 287.09(3)(b), Wis. Stats., and the City of Adams, Adams County, Wisconsin.
- (c) **Abrogation and Greater Restrictions.** It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.
- (d) **Interpretation.** In their interpretation and application, the provisions of this ordinance shall be held to the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretations shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes, and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.
- (e) **Severability.** Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.
- (f) **Applicability.** The requirements of this ordinance apply to all persons within the City of Adams, Wisconsin.
- (g) **Administration.** The provisions of this Recycling ordinance shall be administered by the Director of the City of Adams Public Works Department/Street Superintendent.
- (h) **Effective Date.** The provisions of this Recycling ordinance shall take effect on October 26, 2023 or 15 days after publication on October 11th, 2023.
- (i) **Definitions.** For the purpose of this ordinance:
 - (1) “Bi-metal container” means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.

- (2) “Container board” means corrugated paperboard used in the manufacture of shipping containers and related products.
- (3) “Foam polystyrene packaging” means packaging made primarily from foam polystyrene that satisfies one of the following criteria:
 - a. Is designed for serving food and beverages.
 - b. Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
 - c. Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.
- (4) “Glass Container” means a glass bottle, jar or other packaging container used to contain a product that is the subject of a retail sale and does not include ceramic cups, dishes, oven ware, plate glass, safety and window glass, heat resistance glass such as Pyrex, lead based glass such as crystal, or TV tubes.
- (5) “HDPE” means high-density polyethylene, labeled by the SPI code #2,
- (6) “LDPE” means low density polyethylene, labeled by the SPI code #4,
- (7) “Magazines” means magazines and other materials printed on similar paper.
- (8) “Major appliances” means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven, refrigerator, furnace, boiler, dehumidifier, water heater or stove.
- (9) “Multiple-family dwelling” means a property containing 4 or more residential units, including those which are occupied seasonally.
- (10) “Newspaper” means a newspaper and other materials printed on newsprint.
- (11) “Non-residential facilities and properties” means commercial, retail, industrial, institutional and governmental facilities and properties. This term does not include multiple family dwellings.
- (12) “Office paper” means high-grade printing and writing papers from offices in non-residential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. This term does not include industrial process waste.
- (13) “Other resins or multiple resins” means plastic resins labeled by the SPI code #7.
- (14) “Person” includes any individual, corporation, partnership, association, local governmental unit, as defined in Sec. 66.0131(1)(a), Wis. Stats., state agency or authority or federal agency.
- (15) “PETE” or “PET” means polyethylene terephthalate, labeled by the SPI code #1.
- (16) “Plastic container” means an individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.
- (17) “Post consumer waste” means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in s. 291.01(7), Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high volume industrial waste, as defined in Sec. 289.01(17), Wis. Stats.

- (18) "PP" means polypropylene, labeled by the SPI code #5.
- (19) "PS" means Polystyrene, labeled by the SPI code #6.
- (20) "PVC" means polyvinyl chloride, labeled by the SPI code #3.
- (21) "Recyclable materials" includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins; steel containers; waste tires; and bi-metal containers means any item designated in Sec 2.11 of this ordinance.
- (22) "Solid waste" has the meaning specified in s. 289.01(33), Wis. Stats.
- (23) "Solid waste facility" has the meaning specified in s. 289.01(35), Wis. Stats.
- (24) "Solid waste treatment" means any method, technique or process which is designed to change the physical, chemical, or biological character or composition of solid waste. "Treatment" includes incineration.
- (25) "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage or defect.
- (26) "Yard waste" means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

(j) **Separation of Recyclable Materials.** Occupants of single family and 2 or 3 unit residences, multiple family dwellings and non-residential facilities and properties shall separate the following materials from post-consumer waste:

- (1) Lead acid batteries
- (2) Major appliances
- (3) Waste oil
- (4) Yard waste
- (5) Aluminum containers
- (6) Bi-metal containers
- (7) Corrugated paper or other container board
- (8) Foam polystyrene packaging
- (9) Glass containers
- (10) Magazines
- (11) Newspaper
- (12) Office paper
- (13) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP and PS
- (14) Steel containers
- (15) Waste tires

- (k) **Separation Requirements Exempted.** The separation requirements of Sec. (j) do not apply to the following:
- (1) Occupants of single family and 2 or 3 unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in Sec (j) from solid waste in as pure as is technically feasible.
 - (2) Solid waste which is burned as a supplemental fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplemental fuel.
 - (3) A recyclable material specified in Sec. (j) (5) through (15) for which a variance has been granted by the Department of Natural Resources under Sec 287.11 (2m), Wis. Stats., or Sec. NR 544.14, Wis. Administrative Code.
- (l) **Care of Separated Recyclable Materials.** To the greatest extent practicable, the recyclable materials separated in accordance with Sec. (j) of this section shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.
- (m) **Management of Lead Acid Batteries, Major Appliances, Waste Oil, and Yard Waste.** Occupants of single family and 2 or 3 unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:
- (1) Lead acid batteries shall be delivered to an approved material recovery facility which accepts lead acid batteries or a lead acid battery retailer.
 - (2) Major appliances shall be accepted by a waste hauler/recycler or a material recovery facility that accepts major appliances. Any person accepting major appliances must comply with the provisions of Wis. Stats. 144.44(9) and 144.79 for the removal and disposal of capacitors and Sec. 144.422, Wis. Stats., for the dismantling of refrigeration equipment.
 - (3) Waste oil shall be delivered to an approved material recovery facility.
 - (4) Yard waste shall be collected and managed by the City of Adams Department of Public Works or composted on site.
 - (5) **Compost Sites and Facilities** All Backyard Compost Sites shall be constructed and operated in accordance with the following standards: Location. The compost site shall be located only in backyards, shall be a minimum of four feet from any lot line and shall be screened from view of the public right-of-way. No responsible tenant shall operate more than one backyard compost site. Area Specifications. The compost site shall be no greater than ten (10) feet in diameter and five (5) feet in height. All compost sites shall be fenced or enclosed on at least three (3) sides to prevent scattering of compost material unless the dimension standards are varied by permit of the City. Composition and Operation. Backyard compost sites must be managed in a nuisance-free condition to prevent odor and the stockpiling of material that does not readily decompose within a calendar year, including but not limited to refuse, fibrous material and prunings. To prevent the attraction of rodents and other animals, no meat, bones, grease, whole eggs, or dairy products shall be added to compost sites. The pile must be turned regularly and

all inert material must be removed from compost sites at least once every six (6) months.

(n) **Preparation and Collection of Recyclable Materials.** Except as otherwise directed by the City of Adams, or designee, occupants of single family and 2 or 3 unit residences shall prepare the separated materials specified in Sec. (j)(5) through (j)(15):

- (1) Aluminum containers shall be rinsed free of product and put in co-mingle recycling bin.
- (2) Bi-metal containers shall be rinsed free of product and put in co-mingle recycling bin.
- (3) Corrugated paper or other containerboard shall be flattened or broke down and put in co-mingle recycling bin.
- (4) Glass containers shall be rinsed free of product and put in co-mingle recycling bin.
(Amend Tite 8, Chapter 3, Section 11(n)(4) of the Code of Ordinances of the City of Adams, WI by Council on October 2, 2023 by Ord. No. 01-2023A) (Creating Title 8, Chapter 3, Section 11(l)(5) of the Code of Ordinances of the City of Adams, WI by Council on January 19, 2015 by Ord. No.03-2015)
- (5) Magazines shall be put in co-mingle recycling bin.
- (6) Newspaper shall be put in co-mingle recycling bin.
- (7) Office paper shall be put in co-mingle recycling bin.
- (8) Rigid plastic containers shall be prepared and collected as follows:
 - a. Plastic containers made of PETE, shall be rinsed free of product and put in co-mingle recycling bin.
 - b. Plastic containers made of HDPE, shall be rinsed free of product and put in co-mingle recycling bin.
 - c. Plastic containers made of LDPE, shall be rinsed free of product and put in co-mingle recycling bin.
 - d. Plastic containers made of PP, shall be rinsed free of product and put in co-mingle recycling bin.
 - e. Plastic containers made of PS, shall be rinsed free of product and put in co-mingle recycling bin.
- (9) Steel containers shall be taken to a licensed scrap metal recycling facility.
- (10) Waste tires shall be taken to a licensed tire recycling facility.

(o) **Responsibility of Owners or Designated Agents of Multiple-Family Dwellings.**

- (1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in Sec. (j)(5) through (15):
 - a. Provide adequate, separate containers for the recyclable materials.
 - b. Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
 - c. Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a licensed recycling facility.
 - d. Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

- (2) The requirements specified in (1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in Sec. (j)(5) through (15) from solid waste in as pure a form as is technically feasible.

(p) **Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.**

- (1) Owners or designated agents of non-residential facilities properties shall do all of the following to recycle the materials specified in Sec. (j)(5) through (15):
- a. Provide adequate, separate containers for the recyclable materials.
 - b. Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - c. Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a licensed recycling facility.
 - d. Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.
- (2) The requirements specified in (1) do not apply to the owner or designated agents of non-residential facilities and properties if the post consumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in Sec. (j)(5) through (15) from solid waste in as pure a form as is technically feasible.

(q) **Prohibitions on Disposal of Recyclable Materials Separated for Recycling.**

No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in Sec. (j)(5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

(r) **Enforcement.**

- (1) For the purpose of asserting compliance with the provisions of this section, any authorized officer, employee or representative of the City of Adams Public Works Department may inspect recyclable materials separated for recycling, post consumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the City of Adams Public Works Department who requests access for purpose of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.

- (2) Any person who violates a provision of this ordinance may be issued a citation by any law enforcement official employed by the City of Adams to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- (3) **Penalty.** Penalties for violating this section may be assessed as provided in Section 1-1-7 (General Penalty) of the Code of Ordinances of Adams, Wisconsin.
